## SUMMARY

Seeking internship as software developer, analyst. Third year engineering student at Pune University. Aspiring software engineer eager to gain experience in various IT fields. Have basic knowledge and experience with various programming languages, databases, web frameworks and machine learning / data science libraries. Always interested in learning new skills and working on projects.

## EXPERIENCE

### Web Development Intern Elite Softwares, Pune

December 2022

- Learned full stack dynamic website development from experienced developers
- Learned about Python – Django framework and developed frontend using HTML, CSS and Bootstrap framework
- Worked with superuser, admin login, authentication and registration
- Gained elementary knowledge of Django – REST framework
- Worked on web hosting and domain name registration

## PROJECTS

### Website Development

- Developed dynamic shopping website using HTML/CSS/Bootstrap for front-end
- Used PHP for back-end APIs
- Set up Apache server using Xampp on Windows operating system
- Designed schema for MySQL database
- Worked extensively with Myphpadmin

### Website Development

- Designed Inventory management website with Django, HTML/CSS/Bootstrap
- Designed schema for SQLite database
- Integrated forms for receiving data
- Used Git , Github for version control

### Colour-sorting machine

- Programmed Arduino nano for sorting coloured balls using sensor and servo motor

### Temperature sensor and display device

- Programmed PIC18 microcontroller for temperature detection using sensor and LCD display

## SKILLS

**Programming Languages :** Core Java, Python, C, C++, HTML, CSS, PHP, Git

**Frameworks :** Web - Django, Bootstrap,

**ML / DS Libraries :** Scikit-Learn, Pandas, Seaborn, Numpy, Matplotlib

**Databases :** MongoDB, MySQL, SQLite

**Tools :** Github, C-Panel, Myphpadmin, Canva, Microsoft Office

**Relevant Courses :** Data Structures and Algorithms , Software Engineering, Operating Systems , Processor Architectures, OOP

**Certifications :** IITB Tutorials on Java, Python, Cpp

## EDUCATION

### Savitribai Phule Pune University

Bachelor of Engineering in Information Technology  
Cumulative GPA : 8.32/10.00

2021 – 2025 (present)  
Pune, India

### M.P. College, Pune

H.S.C. 94.7%

2021

### M.E.S. Bal Shikshan Mandir English Medium School, Pune

S.S.C. 93.8%

2019

## OTHER ACHIEVEMENTS AND ACTIVITIES

- **Treasurer**  
Association for Computing Machinery (ACM), Student Chapter 2023 – 24 (present)
- **Marketing Co-Head**  
Google Developer Student Club (GDSC) 2023 – 24 (present)
- **Secured 3<sup>rd</sup> position in SIH internal hackathon**  
Worked in a team on developing an exam proctoring tool doing real time image analysis via webcam which made use of tools like OpenCV, Tensorflow, Keras
