PROJECTS

Social Working Organization Community Website
A non-existing website that helps the user to get notifications about the NGOs they join and also helps different NGOs to collaborate. It also allows the user to search for nearby NGOs

Amazon Clone website
An eCommerce website like Amazon sells different electronic items and clothes. We can add items to the cart we wish to buy and also can wishlist a few items we want to purchase in the future.

Office Desk Booking website
Virtual Office seat booking website for the company employees and also scheduling meetings.

ACTIVITIES

Idhant Sustainable Education Organisation *Present*
It enhances educational opportunities presented to underprivileged kids. We provided individual children the chance at quality education by connecting willing sponsors to them.
